10th Anniversary

NATIONAL ALLIANCE OF FAITH AND JUSTICE

Salute to the Co-Founder Warren H. Dolphus

The late Rev. Warren H. Dolphus was born in Camden, New Jersey, but maintained Georgia as his home of record. With the strategic support and assistance of his wife, Addie, he founded what has become the National Alliance of Faith and Justice (NAFJ).

During the 27th Annual Conference and Training Institute of the National Association of Blacks in Criminal Justice (NABCJ) in Atlanta, Georgia (July 2000), Rev. Dolphus introduced the workshop which launched NAFJ's inaugural concept, Facilitating Assistance in Transition and Healing (F.A.I.T.H.). The concept became a multi-year national initiative adopted by NABCJ. This workshop launched NABCJ's efforts to increase the involvement of faith as an asset to the criminal justice community. Consequently, in January 2001, he was appointed by the President of NABCJ, then Mr. Mathew Hamidullah, to serve as the first Chair of the NABCJ's new Nations Religious Affairs Committee to carry out the concept's principles. The volume of work performed by the committee resulted in a mutual decision to expand the work from a committee into an operational body, the National Religious Affairs Association (NRAA), NABCJ's first affiliate.

During his lifetime and prior to his retirement, Rev. Dolphus served as a chaplain of the federal Bureau of Prisons. In addition, he served as a consultant for Court Services and Offender Supervision Agency of the District of Columbia, the National Crime Prevention Council, and other federal agencies. Rev. Dolphus served on the board of several national organizations to include Horizon Communities in Prison, the National Crime Prevention Coalition of America and Youth Action Network of Central Florida. He also served on the African American Advisory Council for Big Brothers Big Sisters of America. Rev. Dolphus earned his Masters of Divinity Degree from the Interdenominational Theological center Turner Theological Seminary in Atlanta, Georgia in 1993. He also held a Bachelor of Science Degree from Wayland Baptist University in Plainview, Texas.

On February 18, 2007, at the age of 49, Rev. Dolphus transitioned from this life and leadership. By decision of the National Board of the National Association of Blacks in Criminal Justice, the Sunday night opening tradition of the Annual Conference and Training Institute was renamed the Rev. Warren H. Dolphus Gospel Extravaganza in his honor.

Dear Family, Friends, and Colleagues:

On behalf of the National Board of Directors and Officers, we are so pleased that you have joined us for the 10th Anniversary of the National Alliance of Faith and Justice. In celebrating this milestone, let us be among the first to welcome you to the 37th Annual Conference and Training Institute of the National Association of Blacks in Criminal Justice in Atlanta, Georgia.

We first acknowledge God for His immeasurable blessings. I remember the day when Warren shared his concerns with me from his perspective as a prison chaplain about the role of faith, not just religious practices, in relationship to criminal justice. I encouraged him to open his heart to God's calling and act upon the issues for which he had concerns. In support, I indicated I would be happy to share the gifts God had given me to help him present an initial event right here in Atlanta and a subsequent strategy to move the vision forward.

Today, we gather to open this exciting week with the Rev. Warren H. Dolphus Gospel Extravaganza and our thanks to the leadership and members of NABCJ, to family, and to many wonderful people over the years who have supported the vision. That vision became the mission of the National Alliance of Faith and Justice - to promote the value and inclusion of faith in addressing prevention, consequences, and resolutions of crime with emphasis upon the most culpable and vulnerable issues and stakeholders.

I firmly believe a charge to keep we all have, and as Warren felt until his transition - to serve this present age is our calling to fulfill. To this end and using the words of the late and Honorable Shirley Chisholm, "Service is the rent you pay for room on this earth." As an organization, we thank you for your support, and we encourage you to enjoy the week and join us on this journey to be a good tenant.

Sincerely,

Addie L. Richburg

Board of Directors

**Ms. Addie Richburg,
National President and Chairman of the Board**

Addie L. Richburg is co-founder and currently serves as President and Chairman of the Board of the National Alliance of Faith and Justice (NAFJ).

She is a retired employee of the U.S. Department of Justice, Federal Bureau of Prisons (BOP). In her final assignment, for over a decade, she served as the National Volunteer Coordinator and key subject matter expert to over 100 institutions and six regions for volunteer and citizen participation programs at the agency headquarters in Washington, DC.

Within her 22 year career with the BOP, Ms. Richburg received over 30 awards to include the agency's highest national award for EEO (Equal Employment Opportunity). Among other awards during her institutional and headquarters assignments, she received Instructor of the Year, Employee of the Year, Supervisor of the Quarter, multiple Sustained Superior Performance Awards, and has received awards for her design and dedication to numerous special acts and efforts.

As only one of 11 invited, in January 2009 Ms. Richburg was recognized at the White House for innovative and exemplary leadership in mobilizing volunteers of faith in specialized service in a ceremony honoring 20 years of volunteer leadership hosted by President George W. and Mrs. Laura Bush in honor of Former President George H.W. Bush, Sr. In November 2009 at Niagara University College of Education, Ms. Richburg was inducted into Kappa Delta Pi, an international honor society in education, recognizing excellence in education and those who exhibit the ideals of scholarship, promise in teaching and allied professions.

Among her accomplishments, Ms. Richburg conceptualized JUSTICE SUNDAY™, recognized nationally by federal and municipal officials, agencies, and by hundreds of churches across the country on the day before the federal holiday which honors Dr. Martin Luther King. The observance honors Dr. King in his role as a clergy during the civil rights movement, the role of faith practitioners in civic responsibility and service which led to critical change in this country, and it serves as a day of anticipation for the MLK Day of Service. Also to her credit, she conceptualized and NAFJ launched the PEN OR PENCIL™, a national service-learning and mentoring approach which uses history to impact improvement in social skills, behavior, self-respect, and other variables in the lives of youth aged 8-17.

Ms. Richburg has recently been appointed by the President of the National Association of Blacks in Criminal Justice to head policy strategies and build capacity for governmental affairs for the organization. She serves as a training and technical assistant consultant for federal and state agencies in the design and implementation of several national initiatives. Among areas in which Ms. Richburg has authored materials or provided training and technical assistance are reentry, mentoring (youth, juvenile and adult offenders and children of offenders), domestic violence, policy engagement, and faith-based partnership building.

Ms. Richburg is an accomplished speaker and presenter. For over ten years, Ms. Richburg has moderated and coordinated an issues forum during the Congressional Legislative Black Caucus Conference in Washington, DC, and has presented in academic, religious, community, and governmental meeting and conference settings. She has developed special projects or presented with an extensive list of celebrities and notable figures to include the late Mrs. Rosa Parks, countless film and motion picture actors and actresses, with multiple recipients of the Miss America title, numerous Cabinet, Congressional and other leaders.

Ms. Richburg is a native of Milton, Florida, and mother of three adult children.

The legendary Lady Tramaine Hawkins is a voice we came to know and love in the late 60s. Literally born in church in the San Francisco Bay Area, as her mother, the late Lois "Lois the Pie Queen" Davis, a gospel singer in her own right, left a church concert to give birth to Tramaine.

In 1969, Lady Tramaine joined the Edwin Hawkins Singers and was a part of the Gospel Music Revolution via the recording of Oh Happy Day the first million-selling Gospel single to top the pop record charts as well as the first cross over hit, in all cross-sections of the world. Lady Tramaine then moved on to the Los Angeles area to join Andrea Crouch and the Disciples, where she sang lead vocals on the Grammy nominated single "Christian People". After sharing her gifts with Andrea Crouch and the Disciples, Lady Tramaine returned to the Oakland area where she rejoined the Edwin Hawkins Singers. Lady Tramaine can be heard singing lead vocals on the Love Alive Series with Walter Hawkins and The Love Center Choir and also with The Hawkins Family in the 70's and 80's.

Lady Tramaine has recorded at least nine solo albums which included her single "Fall Down (Spirit of Love)" which was the first gospel song to reach the number one spot on the dance charts and helped open the door to contemporary rhythms we hear in gospel music today. Lady Tramaine has won numerous awards including two Grammy awards, two Dove Awards, and two Communications Excellence to Black Audiences {CEBA} Awards. Lady Tramaine was inducted to the Gospel Music Hall of Fame in 1999.

Lady Tramaine currently resides in the Sacramento Area with her husband Mr. Tommie E. Richardson, Jr., a retired Educator. Tommie has received numerous honors and awards serving as a member of the Executive Board of the Oakland Education Association. Tramaine has three children Walter (jamie), Trystan, Damar, one granddaughter Jahve and two grandsons Damani and Kahlil.

Signed to Zomba Records, her latest offering, recorded LIVE just outside of Washington, DC at Reid Temple (Pastor Lee P. Washington) NOW in stores! Featuring tunes penned by Kurt Carr, Jamie Hawkins (Lady Tramaine's son, Walter Hawkins), Walter Hawkins. Richard Smallwood is featured on piano on a tune as well.

Minister Vernon Chappel
Director of Music and Worship
Raleigh, North Carolina

As a highly respected vessel of praise and worship and the writer of the JUSTICE SUNDAY™ National Anthem, **Minister Vernon Chappel** has traveled coast-to-coast in the U.S. and to several other countries. **Sing A New Song**, from **First Tribe Media**, spotlights riveting original melodies and a special friend. While his composition, *Praise Jehovah* as recorded by **Evangelist Beverly Crawford** (who appears on Chappel's national recording debut) became a bonafide gospel classic, there are also several different sides to this California native.

Many other gospelteachers such as **Vickie Winans**, **Dr. Bobby Jones**, and Crawford have given their stamp of approval regarding his worship leading abilities. Chappel is an accomplished musician and psalmist. His work has been featured on television (**Bobby Jones Gospel**), and many radio stations, plus **Joe Pace & The Colorado Mass Choir** and **Dorothy Norwood** amongst others have recorded his compositions.

But praise sparks his ministry as founder/CEO of Unity of Praise Music Conference in Bakersfield, CA. When not leading worship at **The River Church** in Raleigh, North Carolina, he's involved with Sheryl Brady Ministries and has conducted workshops in Bermuda, South Africa, and Europe.

MARTIN LUTHER KING, JR.

★ DAY OF SERVICE JAN·17·2011

25th Anniversary

“Life’s most persistent and urgent question is: What are you doing for others?”

Dr. Martin Luther King, Jr.

Dr. Martin Luther King, Jr. devoted his life to advancing equality, social justice, and opportunity for all. He challenged us to build a more perfect union and taught us that everyone has a role to play in making America what it ought to be. With his leadership, our nation made great strides against racial discrimination and toward increased civil rights.

January 17, 2011 will mark the 25th anniversary of the first observance of the Martin Luther King, Jr. Holiday. More than 40 years after his death, Dr. King’s teachings can continue to guide us in addressing our nation’s most critical issues today. Each of us can contribute to strengthening our own communities by serving in Dr. King’s honor on the King Holiday and throughout the year. And, by making service part of our daily lives, we can help realize Dr. King’s dream. Together, we can ensure that more young people graduate from high school, Americans of all ages have healthier futures, we consume less energy, we support our military families and veterans, and we increase employment, financial stability and affordable housing for vulnerable individuals and families.

What Is the King Day of Service?

In 1994, Congress designated the Martin Luther King Jr. Federal Holiday as a national day of service and charged the Corporation for National and Community Service with leading this effort. Taking place each year on the third Monday in January, the King Day of Service is the only federal holiday observed as a national day of service – a “day on, not a day off.” The King Day of Service empowers individuals, strengthens communities, bridges barriers, addresses social problems, and moves us closer to Dr. King’s vision of a “Beloved Community.”

Why Serve on King Day?

Dr. King recognized the power of service to strengthen communities and achieve common goals. Service is integral to meeting national challenges such as poverty, economic insecurity, illiteracy, hunger, environmental degradation, and more.

In addition to helping solve serious problems, service brings people from different back-grounds together, and benefits those who serve. On this 25th anniversary, it is especially fitting that Americans come together in service that not only honors Dr. King, but builds lasting change in communities.

What Types of Service Are Encouraged?

All types of service are encouraged, particularly projects that connect participants to ongoing service throughout the year, have a lasting impact, and are helping to bring about community solutions. Service projects are often more meaningful to participants if they connect to the life and teachings of Dr. King and include time to reflect upon his life and teachings.
